Extra Money

HOW TO "CASH" FORGOTTEN THINGS

Do you realize that there's more real money "lying around the house" than you had any idea of—

Well, THERE IS.

How long is it since you took an "inventory of odds and ends"?

Well, why not—

Why not check up the "old things" down in the basement. That old rocker and davenport, the pictures you had removed when the guest room was done over, etc., the odd dishes of the old set, the old orange, the old stove, the carpet sweeper—you need a new one anyway—make up a list of all of them, and then put a Classified Ad in the Want Columns of The Daily Leader and get the money. Why not?

Thousands of people need those very things—glad to buy them and pay for them—and fix them up.

Why not "cash the odds and ends"? This is what Want Ads are really for, if people only knew it; and you might just as well "get what they're worth" as to "throw them out."

WHY NOT?
